# JUNE 2026

## FOSSILIZING THE NEWS OF TODAY! SO WE CAN REMEMBER WHAT HAPPENED TOMORROW

### COMMUNITY NOTES

Dear Residents and Property Owners of Dinosaur,

The Dinosaur Marshal's Office has received complaints regarding **weed abatement, rubbish and trash accumulation, and junked or abandoned vehicles** on numerous vacant lots and properties within town.

Please be reminded that the Town of Dinosaur Municipal Code requires property owners and people in charge of property to keep their lots in compliance. This includes removing **weeds that are 8 inches or taller**, preventing the accumulation of **brush, trash, and rubbish**, maintaining property in a **neat, clean, orderly, and sanitary condition**, and not allowing **junked, wrecked, discarded, or unlicensed vehicles** to remain in violation of Town code. DMC 7.04.020 DMC 7.04.030 DMC 7.06.020 DMC 11.08.030

These conditions are not only unsightly but also create **fire hazards** and contribute to **rodent and insect problems**. Over the past two years, **Mormon crickets** have created significant issues for the Town and for residents, and mitigation efforts have been costly. Tall weeds and sagebrush provide favorable lodging and feeding areas, making prompt abatement especially important.

The Municipal Code is available online for review at your convenience. If you need assistance, the Town has information available regarding contractors who can help with mowing and other mitigation work.

Warnings are being issued so property owners have time to come into compliance. In many cases, this may allow an initial warning period, while **weed and rubbish violations may be subject to correction within 30 days after notice** under Town code. If the violation is not corrected after notice, the Town may **issue a summons, abate the violation, or both**, and the cost of abatement may be assessed against the property. DMC 7.04.040 DMC 7.04.040(B)

We appreciate your prompt attention and cooperation in helping keep Dinosaur safe, clean, and in compliance.

Sincerely,  
Dinosaur Marshal's Office
